ARTICLE AND PHOTOS BY LISA MOLZON - SEM PRESIDENT

A huge welcome to a little guy – our new youngest SEMPCA Juniors Member: Oliver Tarchinski! Board Member and Membership Chair Bobby Tarchinski and his wife Nita welcomed Oliver to their family last month and, within hours, registered him as a PCA Junior Member. *That is Porsche passion!* 

If you would like to register a baby, child, or teen in the PCA Juniors program, simply log in to your profile on <u>pca.</u> org and enter the required information. There is no cost to join. (*Note: this is not a PCA Membership.*) I recommend taking a few minutes to register anyone under 18 years old—let's work to build Porsche enthusiasm in the youngest generations!

#### **Recent Events**

Last month, we had the **Up North Overnight Tour** and the **Annual Fall Color Tour**. **Chris Bohr** (VP/Driving Tour Chair) and **Howard Gilson** (Past President/Safety Chair) prepared and executed these events. We are fortunate to have such experienced leaders at the helm of many of our tours.

Every tour route is reviewed by Chris prior to the event to ensure it is both **safe and enjoyable**. While driving Michigan's winding rural roads may sound simple, route development requires a significant number of hours. Add in securing a start location and an endpoint restaurant with room for all participants, and it's no small task. Yet, Chris and Howard step up repeatedly throughout the year—we are lucky to have such a committed team.

The weather couldn't have been better for the Up North Overnight Tour at the start of October. Thanks also to **Suzanne Gilson**, Howard's mother, for her support in organizing the event with Howard and Chris. If you missed this tour, we expect to organize another in a couple of years.

For the Annual Fall Color Tour, **Paul and Michelle Bohr**, Chris's parents, helped at the start location, organizing tasty cider and donuts. Unfortunately, we cannot control the weather, and this year the tour dawned gray and rainy.

Although we experienced heavy rain before and after the drive, there wasn't much rain during the tour itself. It was wonderful to see so many **die-hard members** participate despite the inclement weather, including **Guilherme Costa** and his son **Henrique**. Kudos to Guilherme, who joined our Club in April and has already participated in several events and monthly Business Meetings.

#### **Upcoming Events**

This month, **SEMPCA hosts the Annual Tire Rack Street Survival School at M1 Concourse**. This event has been filled to capacity since September, but we plan to hold it again in Fall 2026, so be sure to register early next year to secure a spot for your teen.

Next month brings the Holiday Lights Tour and the Holiday Party.

- **Holiday Lights Tour:** Friday, 12/5, chaired by Howard Gilson. See the ad in this issue and contact Howard with any questions.
- Annual Holiday Party: Saturday, 12/13. See the ad for dinner and Silent Auction details. Contact Mark Vander Eyk about the dinner and Gary or Pat Ambrus regarding donations for the Silent Auction benefiting the MI Cookie Project Special Athletes.

#### Reflections on the Year

As a reminder, November and December are combined into a single P4 edition, and January and February are handled similarly. So, you're reading the last SEMPCA P4 issue of 2025

Reflecting on the year, I believe this has been one of my most fulfilling years with SEM since joining 11 years ago. While I couldn't attend every event, it was rewarding to participate in most, reconnecting with longtime members and meeting many new ones. I feel fortunate to represent our Club and to receive feedback from so many of you.

(continued on page 8)

**Ken & Pam Werth** of Alpena have been Club members for almost 25 years. Due to distance, they can't attend many events, but they sent a thoughtful email expressing appreciation for staying informed and looking forward to future events. Messages like these leave a lasting impression.

Many thanks to everyone who has supported our Club's efforts and complimented the work of the Board, Officers, and Event Leads this year. Organizing and running events is rewarding, but knowing our efforts are appreciated makes it even better.

Special thanks to members who became more involved in SEMPCA operations or events this year—Jason Nixon, Gary & Pat Ambrus, John Grabowski, and Suzanne Gilson.

I am also grateful to our **Past Presidents**, who provided guidance and support this year. Your counsel, advice, and assistance have been invaluable and have given me a blueprint for supporting future Club leaders. Heartfelt thanks to **Patti Door**, **Dave Renner**, **Dennis Denyer**, **Dave Miller**, **Howard Gilson**, and **Walt Crump**.

To the **SEM Board of Directors and Officers**—thank you for your commitment, camaraderie, and friendship each month.

And to one very special **Past President/Board Member/ Chief Instructor**, thank you for your support this year (and in advance for next year!) and for your patience as I navigate my responsibilities. They say behind every successful man is a strong and supportive woman, but I like to say that success comes from facing everything together—side by side. Thank you for helping me be more successful than I could alone, **Marc Molzon**.

Have a wonderful rest of 2025! I look forward to seeing you at the **Holiday Lights Tour** and the **Holiday Party**, and I can't wait for another great year with you in 2026. ■

# **From Our Members**

"I really enjoyed my first official event with the SEMPCA as a member. (I've been around Porsches all my life—my dad, Thomas McDonald, worked for Porsche during his career.) We had a gorgeous Michigan fall day for our Ladies Drive, and it was nice getting to know the group over a lovely drive and lunch. I look forward to sharing more Porsche adventures with new and old friends."

- Patrice Rowbal, 3-month Member

"Even though the weather was not with us, the turnout was still great, which shows the dedication of the Porsche faithful! The route was wonderful, with many scenic lake views, off-camber turns, and undulations. Thanks to Chris Bohr for all his hard work scouting a great drive and organizing another excellent Fall Color Tour!"

- Andrew Vincent, 7-year Member

"Thank you for a lovely day out with the ladies today! Very nice group, and I had a blast."

- Elaine Mclain, 1-year Member

"Nora Grabowski and I participated in the Ladies Drive in September. I drove my Boxster, and Nora navigated. We met several ladies who had never attended this event, and they said they look forward to next year's drive. It was fun exchanging surprise gifts and getting to know other ladies in the Club."

- Joann Coobatis, 4-year Member

"The Fall Color Tour was my first event with SEMPCA, and it couldn't have been more perfect—beautiful roads, amazing cars, and an incredible sense of community. I'm already looking forward to the next one!"

- @zerotofreya, Phuong Le, 1-month Member

"The Ladies Ride and lunch was perfect. It was nice to meet new Porsche people, and you did a wonderful job on the weather!"

- Linda Walton, 29-year Member

# Ladies Only Drive (continued)

ARTICLE BY LISA MOLZON - SEM PRESIDENT

PHOTOS BY LISA MOLZON AND DALILA ZARATE

After a year away, the Ladies Drive returned in September. A baton of sorts was passed to me—it was my first time organizing the event. There's always a bit of trepidation when taking over something so well-loved: will it live up to expectations?

We gathered late in the morning under perfect skies—bright sun, blue above, and ideal temperatures. Though we always plan to go rain or shine, it's hard not to smile when the weather cooperates.

Fifteen ladies joined this year's drive, piloting ten Porsches in shades of gray, silver, blue, red, and purple. Some drove solo, others shared the wheel with a co-pilot or navigator. The group included familiar faces—Linda Walton, Dawn Martindale, Peggy Goldberg, and Suzanne Gilson—alongside newcomers like Dalila Zarate and Patrice Rowbal. Ages spanned nearly half a century, creating a lively mix of personalities and instant camaraderie.

Once everyone had arrived and signed the tour waiver, we reviewed the route and "rules of engagement." With navigation apps set and printed maps in hand, lead cars were assigned, and we were off. Many thanks to Donna Loeber and Joann Coobatis for guiding us safely. As always, SEM tours use lead cars every few vehicles for safety—and a Sweeper at the end to ensure no Porsche is left behind. From my spot as Sweeper in the Macan S, I had the perfect view of the colorful parade ahead.

The route wound through some of our favorite back roads—first navigating downtown Clarkston before escaping into open countryside. It was fun to see pedestrians stop to watch our Porsche caravan pass by. One dad even counted each car out loud to his children. Now *that's* a creative way to teach numbers!

From Clarkston we headed east through Lake Orion, Oxford, Ortonville, Groveland Township, Holly, Rose Center, Highland, and finally Milford. Nearly 60 miles later—and about an hour and a half of driving—we'd enjoyed a perfect mix of lakes, parks, farms, and tree-lined scenery. As the sun climbed higher, windows came down, sunroofs opened, and a few tops dropped. Though fall weekends often bring plenty of car clubs to the roads, ours was the only one out that day—aside from two friendly motorcycle groups who waved as we passed.

Our lunch stop, Anna's House in Milford, offered the perfect setup: a quiet, tree-bordered lot for our lineup of Porsches and a bright, welcoming restaurant. Inside, the conversation flowed easily. We swapped stories from the drive and agreed that this smaller, more personal event has a different, refreshing energy from larger Club tours—a great reminder of how diverse SEM's activities truly are.

As we said our goodbyes, many participants promised to return next year. I certainly will—rain or shine. ■

# The Michigan Up North Overnight Tour & Winery

ARTICLE BY HOWARD GILSON - PAST PRESIDENT / SAFETY CHAIR

PHOTOS BY HOWARD GILSON

"Beautiful weather, open roads, and great company — it doesn't get much better than a fall drive Up North."

#### A Smooth Start to the Weekend

The **Up North Driving & Winery Tour** began on **Friday, October 3rd**, with four cars in our initial caravan. Several other members planned to meet us along the way or join us later at the winery.

The drive north was as enjoyable as it was efficient — light traffic, crisp autumn air, and scenic backroads that seemed made for Porsche drivers. We traveled **I-75 to M-10**, then continued on **M-115 to M-37**, arriving at the winery nearly an hour ahead of schedule. The trees were just beginning to turn, painting the landscape with the first hints of fall color.

# Bel Lago Winery: Wine, Food & Friendship

Our destination, **Bel Lago Winery**, provided the perfect setting to kick off the weekend. Once the remaining four cars arrived, we gathered for wine tastings and lunch. The weather was so beautiful that everyone opted to sit outside, enjoying good food, great wine, and even better conversation.

After lunch, members received a list of other nearby wineries to explore or headed to **Traverse City** for shopping and sightseeing. My parents and I visited another winery before checking into the hotel to relax for the evening.

# Saturday's Scenic Drive Through Leelanau Peninsula

On **Saturday morning**, we met in the hotel lobby for the drivers' meeting. With nine cars total, I led the group while **Jeff Hendry** served as sweeper. Our route took us from

*(continued on page 19)* 

- 1. Group of SEM members cars at Bel Lago.
- 2. Bel Lago wine tasting.
- 3. Michael, Suzanne and Howard Gilson.

Traverse City through the **Leelanau Peninsula**, featuring some of the most scenic and fun driving roads in northern Michigan.

A special thanks to our **Western Michigan PCA** members who live in Traverse City for helping design the route, and to **Chris Bohr** for his final adjustments to ensure everything ran smoothly.

The drive was wonderful — winding roads, rolling hills, and minimal traffic. The only surprise came when we encountered a marathon along part of the route. Everyone navigated safely around the runners, and no one missed a beat!

#### A Minor Detour and a Great Finish

As we neared the end of the tour, I looked in my mirror and noticed six cars missing — they'd missed a turn and fallen behind. Fortunately, they found their way and rejoined us about five minutes later at our lunch stop, **Jolly Pumpkin**. After lunch, members were free to explore more wineries and landmarks across the **Old Mission Peninsula**, taking in even more of Michigan's fall beauty.

#### **Reflections & Future**

A heartfelt thank-you to everyone who participated in the **Up North Driving & Winery Tour**. The weekend was a huge success — full of scenic drives, laughter, and camaraderie.

For future tours, one change we'll make is to **organize group dinners** in addition to lunches, as many members expressed interest in gathering in the evenings.

It may be a couple of years before we host another Up North Driving & Winery Tour, but given how much fun this one was, it will be worth the wait!

"The weekend was a perfect mix of driving, dining, and discovering everything a Porsche adventure should be." ■

# It's the People

ARTICLE BY TOM FIELITZ - SEM MEMBER

A phrase you hear often in our Porsche Club is "It's the people." It's a simple statement, but it captures the strengths and values that set our organization apart from so many others. Behind this phrase—and the pride that comes with it—lies a deeper sense of community and, perhaps, a measure of responsibility.

Many of my fellow members know that I've been part of the club for over fifty years. In my defense, I started young. It's almost impossible to define a PCA member beyond our shared affiliation. We come from diverse backgrounds—social, economic, and every other demographic you can name.

You might say that at least we all own a Porsche, but even that's not a requirement; you can be a member without currently owning one. And as my grandson Weston has discovered, you can even be a Junior Member at age six, with nothing more than a collection of Hot Wheels and the promise of Grandpa's 911 someday.

Each month, one of my favorite sections in the *P4* is the list of members and their years of membership. Many are relatively new—under ten years—with a surprising number joining within the past year. There are always many new names, and though it would take too much space to print, I often find myself wondering what model of Porsche each one drives.

When I first joined, I owned a 914-6—an entry-level car at the time. Almost everyone else I met had some version of a 911. Yet I was welcomed just the same as those with base 914s or top-of-the-line models. There was no hint of snobbery or hierarchy.

My friend Heath Hurlbert, who encouraged me to buy a Porsche and join the club, owned a used 1970 911T. He later became president of our region and remains the reason I joined in the first place.

Over the years, I've contributed to the club in various ways—from editing and distributing P4 to organizing rallies and photo contests. Eventually, I began writing a monthly column for P4, something I've continued for well over a decade, along with a separate column for the Rally Sport Region's Bahn Stormer newsletter.

One of the best aspects of our club is the wide variety of events available throughout the year. They range from driving events to social gatherings like dinners and picnics. We have concours competitions, tours, and driver education programs.

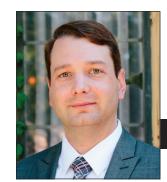

But again, the best part of any event is the opportunity to meet and connect with other members. I've always found both new and longtime members to be open, welcoming, and eager to share their knowledge and experiences.

As you become more involved, you'll find countless opportunities to give back—by leading, organizing, or simply lending a hand. No prior experience is required, and every contribution is valued. The amount of talent within our ranks is exceeded only by our enthusiasm. Participation can range from regional activities all the way up to national gatherings such as the annual weeklong *Parade*.

So, what will your story be in your Porsche Club journey? How many new adventures will you have? How many new friends will you make? The responsibility—and the opportunity—are yours. Don't let anything or anyone pass you by. I can promise you this: you won't regret a minute of it.

# Fall Color Tour

ARTICLE BY CHRIS BOHR - VICE PRESIDENT / DRIVING TOUR CHAIR

PHOTOS BY CHRIS BOHR, HOWARD GILSON, KYLE ROBIE, JASON NIXON, TRINA BARTA AND HENRIQUE COSTA

The 2025 Fall Color Tour was our second year of having the cider and donuts at our start location with a single segment drive with a lunch stop at the end. The attendance this year was down a bit from last year. Due to the rainy weather 47 cars and 81 people attended(74 cars and 126 people had signed up) which is still a great turnout for the conditions.

The start location this year was in Novi at Precision Auto Protective Films. They specialize in ceramic coating, protective films and window tint. Our excellent weather streak was finally broken as the day presented us with colder temperatures in the upper 50s and rain. Heavy rain fell overnight that continued on into mid morning. The rain did lighten up shortly after we opened for check in at 9:15AM. Everyone attending enjoyed the cider and donuts from Blake Farms South Lyon location and carried on conversations as people congregated mostly inside the building due to the rain. We were onsite for just under 2 hours.

The fall colors this year were the best we have had in the last several years. The rain gods took pity on us and gave a reprieve from the rain as we started the driving tour. Roads

were still wet but at least we could get a clear view of all the colors! The trees were a good mixture of green, yellow, orange and red.

The single segment route this year departed from Novi at 11AM heading over to Ann Arbor and up to Pinkney by way of Hell. The route was 62 miles long and took roughly 1.5 hours to complete. We were able to take in as many wooded and lakeside roads as possible. Huron River Drive gave us an excellent tunnel of trees to drive through. Hankered Rd gave us an unobstructed roller coaster ride and it's always interesting to drive through Hell (MI). Lunch was 12:30PM at Zukey Lake Tavern. The food was great and everyone enjoyed themselves. We even still managed to mostly fill the private dining area. The rain that had stopped for our event started again not long after we left the restaurant.

Thank you to Mark and Precision Auto Protective Films for hosting along with all who attended and assisted despite the weather conditions. A special thank you to our drive leads Chris Bohr, Howard Gilson, Kyle Robie, Andrew Vincnent, Eric Wecker and Jim Williams. I look forward to planning our 2026 tour events and seeing everyone again soon!

# Porsche Design Unveils the Chronograph 1 – PCA Member Edition

Porsche Design honors the 70th anniversary of the Porsche Club of America with a new edition of the Chronograph 1. Exclusively made for a special community, PCA members now have the opportunity to customize Porsche Design's most iconic timepiece that was originally designed by F. A. Porsche in 1972.

Creating a special sense of community amongst members, this new timepiece features the PCA logo and "PORSCHE CLUB OF AMERICA" lettering, and optionally a personalized club region name stated on the case back. The made-to-order watch will not only come with a titanium bracelet, but also two sportive textile straps in vibrant Club Blau, one featuring the PCA logo and the other the PCA 70Y anniversary logo.
